L'AGENDA 1968

Overbrook Regional High School
Lindenwold N. J.

The faces of Overbrook students are filled with chagrin, dismay and concentration when they confront the manifold responsibilities of life, liberty and the pursuit of happiness.

"If you wish to reach the highest, begin at the lowest." Syrus

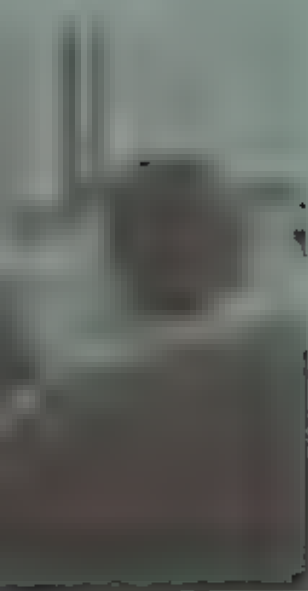

"The only good is knowledge, and the only evil is ignorance." Diogenes

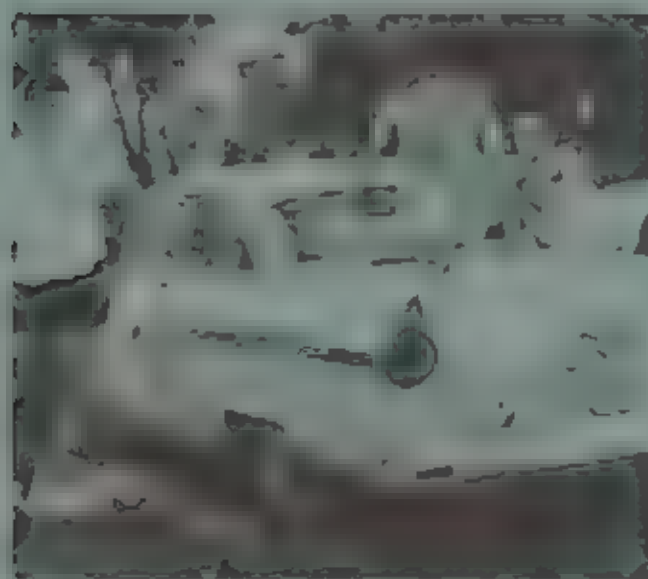

It is better to open a hundred eyes than to shut a single one
because I know how difficult it is to open a single eye.

Patrick Henry

Prevention is the cure that is essential enough. — Albert Einstein.

Introduction

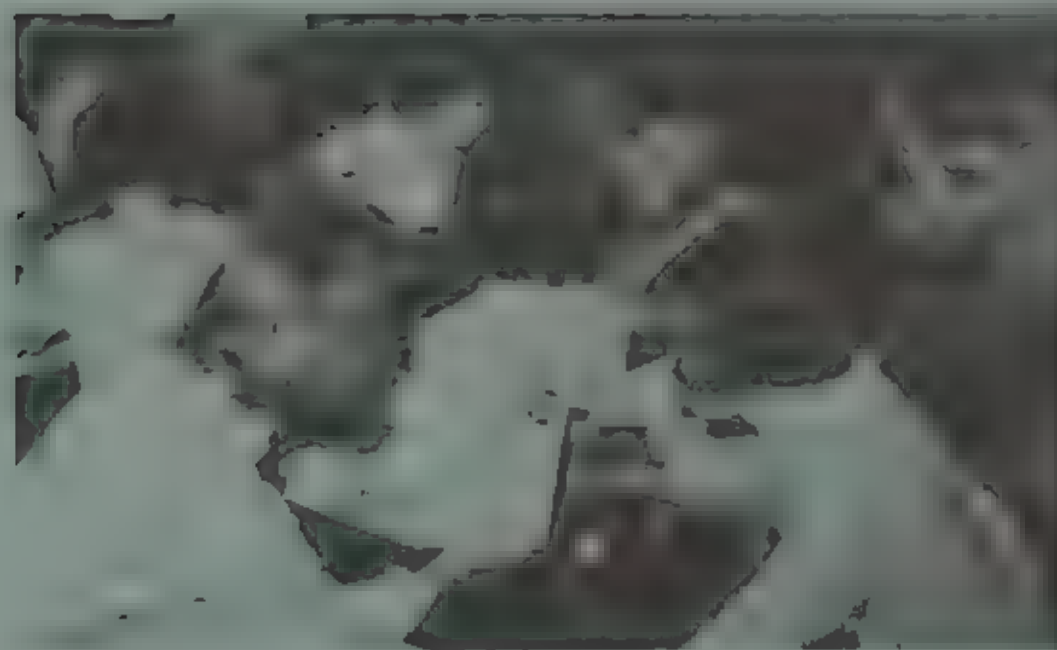

Cooperation is the key to the success of a yearbook. All the labors expended in the production of a yearbook are not wasted. We, of the yearbook staff, sincerely want you to enjoy, and appreciate this copy, your copy of the 1968 L'Agenda. We thank all those who have helped us but who unfortunately cannot be named because the list would be too great.

We hope that you will cherish this small reminder of your years at Overbrook Regional High. We hope also that you will come back to Overbrook to your classmates and to your teachers by way of L'Agenda in the years to come. We know that it is the future that should be your focus, but the future depends upon the past.

Good Luck

Dedication

It is with admiration, respect, and pleasure that the Class of 1968 and the students of Overbrook dedicate this L'Agenda to our teacher and friend, Mr. Edward F. Lubamersky.

Better known to us as Mr. Lu, he has actively served us for ten years at Overbrook. His cheerful and realistic manner has developed a greater level of maturity and aspiration in all of us.

We shall long remember his sincere dedication to teaching. Under his influence, the horizons sprang wide, fear went away, and the unknown became knowable.

It is our wish that this modest dedication represents in a small way the satisfactions and pleasures of the many students who have been guided by him over the years.

The fond memories we will possess for Overbrook will be synonymous with our feelings for Mr. Lubamersky.

L'Agenda Staff

Throughout this year we have encountered many difficult situations. Although there have been a few serious problems we have found it very profitable working with each other and the rest of our staff.

Although we had a small staff to work with the members all did their job well. Mr. Clark our advisor, has shown us new ways in which to make a more comprehensive and enjoyable yearbook. We hope that future L'Agenda staffs have success in fulfilling their goals as we have had in ours.

Sincerely

As you graduate, may you take with you a confident knowledge that you are ready to face the game of life, that you have a foundation upon which you may build your future, and may face your problems with faith in yourself

It is the wish of all of us at Overbrook that you may continue to grow and progress and move ever onward toward those worthy goals which you have set. Our best wishes for success accompany you in your chosen field of work

Your last year in school is the year of riots, hippies, long hair, demonstrations and the whole works, not to mention a war. There is an excellent chance that all of this will provide a good background for the future, not as a participant particularly but that you did experience seeing it all

Your future is still a good one, so you do your part to keep a good and happy world for every one. This sounds like a big order but Overbrook people can do it

SENIORS

L FULLER

Dear Classmates

We seniors have spent many enjoyable hours in the class room, on the playing field, and in extra curricular activities at Overbrook. Through the sincere efforts of our teachers and our hard work we have learned to think critically and to profit from our mistakes. The sporting program and the many social events have taught us how to work with each other and how to accept responsibility. Above all, our experiences at Overbrook have encouraged us to understand, evaluate and appreciate the values of education. Our teachers have diligently labored to effect these changes in our behavior. Guidance has been given through carefully structured classroom work, fulfilled social service work for our class, and lively sportsmanship in our many sporting events.

It is my wish that your memories will fondly reflect the many learning experiences we have shared together.

I wish to thank you, the CLASS OF 1968, for giving me the honor of serving as your class president. I feel that many honors are yet in store for this class. We will long be proud to have lived and learned together at Overbrook. May all of you have the best of luck.

Sincerely
Lyman Fuller
